Explanatory Notes

1) 6 European Donors are currently attending the FTI-DoL "working party" on a voluntary basis

2) FTI-DoL Donors are in the process of negotiating/launching new Country Strategies or Development Agreements based on the principles of EU Code of Conduct

NSDI classification		SWG structure		Aid flow map			European donor Strategy map	European DoL arrangements			
NSDI Strategic Priority	Sector	Sector Working Group (SWG)	SWG-FP	Current aid (Meuro)	Current SINGLE major donor	Current European donors	European CoC presence	European lead donor	European active donor	European background donor	European silent donor

3) Data analysis on aid-flow sector share is based on the donor database (completed projects are excluded)

4) SWG structure is being adjusted by DSDC & DTS to better align to NSDI sector classification

* NSDI sectors are matched with OECD/DAC sectors and sub-sectors (see hidden columns and rows)
